DR. J. A. C. CHANDLER, President

## PRESIDENT'S GREETINGS

---

The College of William and Mary welcomes you to its halls. Many students who for generations have entered this College have received here inspiration for greater work. May your stay be pleasant and may the instruction and inspiration which you receive bear fruit of such a type that each of you will go forth to render in some particular field service that will bring good to your community, to your state and to your nation.

J. A. C. CHANDLER,

President.

## GREETINGS FROM THE DEAN OF THE COLLEGE

---

The dominating motive which characterizes the conduct of faculty and student body at the College of William and Mary is service. For many years, students have left this institution imbued with this spirit and have wrought well.

Your enrolling in this institution puts you into fellowship with this fine group of men and women. We hope you, too, will be imbued with this same spirit and that you will be stimulated to achieve to the full extent of your ability. To this end, broad knowledge, sound scholarship and straight thinking are of primary importance. We commend these objectives to you.

We hope that you will lose no opportunity to prepare yourselves for the service which has characterized others who have gone before you. You can rest assured that you will find help and friendly counsel from students, faculty and administration. Into this fellowship, we bid you welcome.

Very truly yours,

K. J. HOKE,  
Dean of the College.

## GREETINGS FROM THE DEAN OF MEN

---

It is a great pleasure to write a word of greeting to those of you who will become William and Mary men next September. A wonderful session and a wonderful four-year period await you here in the "cradle of the Republic," where history has been made and where most thrilling history is even now being made.

I hope that you are coming to us not only with the true spirit of adventure and of idealism, but also with a mighty determination to get the best possible return from your investment of time and of money. It is sometimes cynically said that college students are the only people who do not care whether they are getting their money's worth. It is my earnest hope that each of you will receive the very highest possible values from your college life and from your college work and that you will realize very early that the values which you receive will be in direct proportion to the efforts which you put forth.

I am looking forward with pleasure to knowing each of you personally, and I hope that I may have the opportunity to direct and help you not only in your academic work but also in the meeting of any problems or difficulties which may come to you in college.

W. T. HODGES,

William and Mary, '02,  
Dean of Men.

## GREETINGS FROM THE DEAN OF WOMEN

---

Of all the classes in the College of William and Mary, you are most to be envied. By one year, the past of the college is a little richer for you even than for the class preceding. The future holds for you the promise of greater material beauty for this ancient and vigorous institution. Your own fine idealism (if this be the gift you bring to us) will make the present beautiful for yourselves and for others.

You have come to William and Mary from different motives. Some of you have been lured by the desire for adventure in community living; others, by the charm of the environment here. Some have followed a path trodden by your families and friends; some have been led by associates whose companionship you crave. Perhaps only a few have thought deeply of what you may seek here for your physical, mental, and spiritual growth. Yet you feel at least vaguely that you want to grow. May it be our privilege to help you to take root securely and to develop into fearless, strong, wise, magnanimous women.

As aids to growth may you find here the friendship of administrators, of instructors, and of fellow-students; the stimulation of able minds; a challenge to your best endeavor; and a simple love of truth which will enable you to face understandingly your own failures and successes and those of your friends.

The intelligent love of a student for a college is one of the most enlarging experiences of life.

GRACE WARREN LANDRUM,

Dean of Women.

## ALMA MATER

---

Hark, the students' voices swelling,  
Strong and true and clear;  
Alma Mater's love they're telling,  
Ringing far and near.

### CHORUS

William and Mary, loved of old,  
Hark, upon the gale,  
Hear the thunder of our chorus,  
Alma Mater—hail.

All thy sons are faithful to thee  
Through their college days,  
Singing out from hearts that love thee,  
Alma Mater's praise.

Iron shod and golden sandaled  
Shall the years go by,  
Still our hearts shall weave about thee  
Love that cannot die.

God, our Father, hear our voices,  
Listen to our cry.  
Bless the college of our fathers,  
Let her never die.

## THE CHRISTIAN ASSOCIATIONS

---

The Christian work on the campus is carried on co-operatively by the Young Women's and Young Men's Christian Associations. Each Association has its own constitution and form of organization and interpretation of purpose. But in order that certain phases of the work may be better carried out, a joint effort is made in these particular respects.

### Organization:

1. THE CO-OPERATIVE CHRISTIAN COUNCIL (C. C. C.) consists of three men and three women, chosen from among the officers of the respective associations. They have two duties: (a) the general oversight of the joint budget, which consists of those funds set aside for speakers, socials, office, etc., in which both groups participate; and (b) the right to elect the members of the Advisory Board, and guide the policy of the joint efforts of the Associations.

2. THE ADVISORY BOARD consists of the President of the College, the general secretary of the Christian Associations, nine members of the faculty, elected three each year by the C. C. C., for a term of three years, and of four students, consisting of the two Association presidents and of two appointed by these in their respective Associations. The functions of this Advisory Board are, (a) to have general charge of the financial campaign and approve the budgets of the respective Associations; (b) to assist and approve the plans and policies of the Associations.

3. THE Y. W. C. A. CABINET AND Y. M. C. A. CABINET are the two executive arms of the student membership. They are ultimately the controlling voice in the carrying out of plans and the directing of the work.

### Purpose:

The common purpose of the two Associations "to try to live like Christ lived, and to aid others in living like Him." This purpose takes its expression in the various forms of activities, found on the following pages.

MORRIS ELLIOTT

*President of the Y. M. C. A.*

The Young Men's Christian Association is an organization of the students, administered by the students, and existing solely for the students of the college. Throughout the years, the sons of William and Mary who are devoted to the cause of humanity and unselfish service have been affiliated with this association.

The *object* of the Association is to create a fellowship of students vitally interested in the highest meanings of life, and thereby to develop the highest type of Christian character in the men who are to represent the College, and to influence them to devote themselves to the Christianizing of all relationships. The Association aims to be the expression of practical Christianity. It is for those who believe not in knowledge for the sake of knowl-

edge alone, but for what it can do in creating deep moral convictions of right and personal standards of worth.

**MEMBERSHIP** in the Association may be either active, or associate. Every man who pays his regular "Y" fee becomes a member. Opportunity will be given all those who wish some active part in the work.

For the purpose of securing efficiency in the organization the Young Men's Christian Association on the campus has been centralized and divided into four great departments under which all activities of the Association can be classified. Any student, either freshman or older man, who is interested in extra curriculum work can find some phase of service in one or the other of these departments for which he is particularly suited and which will open the way for a more responsible position on the cabinet the following year.

**ADMINISTRATION:** Heading this important division is the President of the Y. M. C. A. and those making up this department give their time more to the perfecting of the organization as a unit rather than to aiding in outside service. The regular officers of the "Y", vice-president, secretary, and treasurer naturally are placed in this department. Besides these are the editor and business manager of the Handbook. There is an assistant in finance whose work it is to handle finances and direct the financial campaign.

**CHRISTIAN EDUCATION:** To aid in realizing the aim of this department, which is "To interpret through various means, the life and teachings of Christ for the College student" the director has divided his work into committees under the guidance of a chairman. Devotional meetings with varying programs such as: open forums, music, pageants, lectures, etc., under the leadership of the chairman, offer unlimited opportunities for service and leadership. The committee on Christian World Education tries to bring to the attention of the campus through speakers, literature, and discussion the importance of education along the lines of new social gospel, industrial relations, race relations, and international relations.

**COMMUNITY SERVICE:** This department aims to extend the purpose and message of the Christian Association to

---

groups outside the college community, and to provide ample means of expression to students for their ideals of service. A committee on Boys' Work promotes this work in Williamsburg by means of Christian guidance in club work. Deputation to churches is one of the most useful of any of the "Y" functions. A series of sacred concerts given in neighboring cities will feature this work during the coming year. This year the committee in charge plans to conduct, besides these, educational tours to study in Richmond and Norfolk the social welfare work and such industries as these two cities afford.

**CAMPUS SERVICE:** This department has for its aim the meeting of the social and general welfare needs of the student body. A special social committee is planning some interesting things for the coming year. A committee has charge of freshman work. This committee co-operated with other organizations in serving the freshman in every way possible. The "Y" room, which Mrs. Blow gave and so handsomely equipped, is left to this department to care for and keep as convenient as possible for the students.

A., a student also becomes a member of the World's Student Christian Federation, which is composed of many different student movements in forty different countries of the world.

### BIG SISTER PLAN

Every year the Y. W. C. A. organizes the band of "Big Sisters," who feel that this endows them with a special kind of friendly ownership and interest in their "Little Sisters." This year the "Big Sisters" of this year's freshman class will be interested upper-classmen.

## **THE INDIAN HANDBOOK**

---

It is the special duty of the "Big Sister" to help her "Little Sister" get settled and into the swing of collegiate life. After the freshmen are accustomed to William and Mary, each "Big Sister" retains her special interest in her protegee.

### **MEETINGS**

Thursday nights is the time set for the meetings of the Y. W. C. A. There will be either a lecture, vespers, or discussion groups.

The Y. W. C. A. committees represent almost every phase of campus activity and major interests of a woman's life. Every member is urged to carefully choose the committee in which she feels the most interest and to which she feels the most able to contribute by her work, enthusiasm, and participation in the different discussion groups of the several committees.

### **THE Y. W. C. A. ROOM**

The Y. W. C. A. room is on the first floor in Barrett Hall. It is open at all times for the use of the co-ed students and they are especially invited to enjoy it.

### **COMMITTEES**

---

#### **Program Committee**

The work of the Program Committee is to plan interesting programs for the regular Y. W. C. A. meetings. It co-operates in bringing to the college all outside speakers and assists in carrying out all Y. W. C. A. projects.

#### **Vocational Committee**

The Vocational Committee endeavors to help girls choose vocations and plan courses in college that will lead up to them. The group maintains an employment bureau through which girls may obtain work on the campus.

## **THE INDIAN HANDBOOK**

---

### **Music Committee**

The music committee plans musical programs for Y. W. C. A. meetings. This group will make up the choir for chapel for next year. It will make a song book of Y. W. C. A. songs, devotional and camp songs.

### **Finance Committee**

The Finance Committee has charge of the money-making part of the Y. W. C. A. program. Next year there will be discussions on the average College girl's budget, discussions on current books, and plans for rummage sales and bazaars.

### **Social Committee**

The Social Group of the Y. W. C. A. has charge of all social activities of the organization. It has for its purpose the encouragement of fun and joy in our play to fill our lives with the happiness they are due to have alongside the work.

### **Devotional Committee**

It is the duty of the Worship Committee to strive toward a creative and working knowledge of God through quiet periods, through fellowship with each other and through service. Once a month it is the duty of this committee to report to the entire Y. W. C. A. its findings by means of a worship program given on the regular meeting night.

### **Publicity Committee**

The Publicity Committee makes attractive posters to advertise all Y. W. C. A. functions. Next year this group has decided to take up the study of poster psychology. If you are interested in this phase of Y. W. C. A. work be sure and sign up for it.

### **THE BEST ALL-'ROUND FRESHMAN**

For the past four years it has been the practice of the Y. W. C. A. Cabinet to elect the Best All-'Round

## BUILDINGS AND GROUNDS

---

### THE WREN BUILDING

The Old Main Building, now called the Wren Building, drawn from the well-founded belief that its plans were drawn by Sir Christopher Wren, is the oldest of the campus group. For the most part, its walls are those of the original building structure of 1695. Until the close of the session 1927-28, it housed the academic subjects, exclusive of the sciences, law, and business

administration. In the south wing was the original chapel, memorable for its valuable portraits, and its tablets in memory of former professors and distinguished alumni. This building is being restored to its original form and appearance through the generosity of Mr. John D. Rockefeller, Jr.

### THE PRESIDENT'S HOUSE

Northeast of the Wren Building is the president's house. Since its erection in 1732 it has been the residence of the successive presidents of the college.

### BRAFFERTON HALL

Southeast of the main building and facing the home of the president stands Brafferton Hall. Here are located some of the administrative offices of the college—namely, those of the alumni secretary and the treasurer.

Brafferton Hall was built from funds derived from the estate of the Honorable Robert Boyle, the distinguished natural philosopher, who, in his will, had provided that four thousand pounds sterling of his money should be employed in "pious and charitable uses." Dr. Blair, the first president of the college, being in England at the death of Boyle, urged the Earl of Burlington, Boyle's nephew and executor, to direct the fund to the support of a school for Indians in connection with the College of William and Mary. Burlington invested the funds in an English manor called The Brafferton in Yorkshire, from which most of the rents were to go to the college in Virginia. Brafferton Hall was built in 1723 from the proceeds of the Brafferton estate, and until the beginning of the Revolutionary War was used as a school for Indians.

### EWELL HALL

Ewell Hall, formerly called Science Hall, was erected in 1905. With the removal of the lecture rooms and laboratories to the buildings recently erected, it is occupied by the department of home economics, music, shorthand and typewriting.

### ROGERS HALL

The William Barton Rogers Science Hall was erected in 1927 as a memorial to the alumnus of the college who founded the Massachusetts Institute of Technology. It cost \$300,000 completely equipped with laboratory apparatus and furniture. The ground floor houses the department of physics while the second and third floors house the department of chemistry. In addition to the standard laboratories for the various fields of physics and chemistry, there are lecture

## THE INDIAN HANDBOOK

---

rooms, reading rooms, and private laboratories for research work. It is a fireproof building embodying many new features of laboratory construction. This building is the first one of an academic group which is planned.

### WASHINGTON HALL

Washington Memorial Hall was erected in 1928 as a memorial to George Washington, licensed as a surveyor by the college in 1749, and the first Chancellor of the college after the Revolution. The building cost \$200,000.00.

The ground floor houses the Department of Biology while the second and third floors furnish lecture rooms and offices for the Department of Education, English, Fine Arts, Mathematics, Philosophy, Latin and Modern Languages. In addition to lecture rooms the first floor accommodates the offices of the Dean of the College, Dean of Men, Dean of Women, and the Registrar.

The building is of fireproof construction and is the second of the group of academic buildings planned by the administration.

### COLLEGE LIBRARY

Before 1908, the library was immediately back of the Chapel in the main building of the College. In 1908 a new building was erected with funds given by Mr. Andrew Carnegie and other friends of the College. In 1921, the Carnegie Corporation gave an additional \$25,000. This money was used in erecting a larger stack room. The rapid growth of the College in the past few years had made it necessary to enlarge the stack room again, and to provide additional reading room accommodations. With an appropriation from the State of Virginia the old building has been enlarged at a cost of \$120,000.00 by the erection of a three-story structure between the former reading room and the stack room. The library will now have capacity for about 400,000 volumes and reading room space for 500 students at one time. At the north end of the stack room, cataloging and office rooms have been erected. The basement of the new three-story structure

has been so built that it may be used in the future as an additional stack room. The new reading room on the first floor connects with the old reading room. A fund of \$20,000 has been given by Mr. William Lawrence Saunders and Jennie Morton Saunders to furnish this room suitably in memory of their uncle, Robert Saunders, former president of the College. On the second floor there is an additional reading room, almost as large as the first, which will be used for periodicals and special collections of reserved books. On the third floor is a very comfortable reading room, which will be set aside for the law library. The library has at this time 70,000 books, and an unusually valuable collection of rare books and manuscripts. The most valuable books and manuscripts, together with the college records, will be kept in a new concrete vault, built for this purpose. The collection of manuscripts is constantly receiving valuable accessions through gifts from the many friends of the College. The books are catalogued according to the Dewey decimal system. A dictionary card catalog, kept up to date by the use of the printed cards of the Library of Congress, makes the resources of the library available. About 5,000 books are added to the library annually. The number of current periodicals regularly received is 500.

On the walls of the new reading rooms will be hung portraits of distinguished alumni, eminent Virginians and benefactors of the College. The portraits belonging to the College constitute one of the most valuable collections of early original portraits in the United States. Students are encouraged to consult books not only in the reading rooms but also in the stack room, to which they are admitted at all times without any formality. As the library is conducted according to the honor system, any dishonorable practice on the part of a student will be referred to the men's honor council or to the women's honor council. To increase the serviceableness of the library, the librarian offers each semester a series of thirty-six lectures in the use of reference books, for which a student receives two credits. The library is open every day in the year

from 8:30 to midnight, except Sunday, when the hours are from 2 p. m. until midnight.

### **SAUNDERS READING ROOM**

As a memorial to Robert Saunders, Professor of Mathematics, 1833-1848, President of William and Mary, 1847-1848, the large reading room on the first floor of the library has been equipped at a cost of \$20,000.00 by William Lawrence Saunders and Jennie Morton Saunders.

### **PHI BETA KAPPA MEMORIAL HALL**

The Phi Beta Kappa Memorial Hall was completed and opened for use in November, 1926. The funds for the erection of this hall were furnished by the United Chapters of Phi Beta Kappa as a memorial to the fifty founders of the Society. The building is used as an auditorium and as a home for Phi Beta Kappa guests.

### **THE GEORGE PRESTON BLOW MEMORIAL GYMNASIUM**

This building was given to the college in 1924 by Mrs. George Preston Blow, of Yorktown, Virginia, and La Salle, Illinois, and by her children, in memory of Captain George Preston Blow, of the United States Navy, whose father and grandfather were alumni of the college. It is one of the largest and best equipped gymnasiums in the South, containing a standard size swimming pool, shower baths, lockers, basketball court, large gymnasium hall, running tracks, monogram and trophy room, and a large hall for Y. M. C. A. and other meetings. In addition to the dedication tablet, a large bronze tablet in the entrance hall carries an inscription, setting forth the purpose to which the building is dedicated.

thirty acres of which are cleared. The eastern portion of the campus, covering about thirty acres, is used for buildings; the western portion is used for athletic purposes. The latter portion of the campus is known as Cary Field Park, named in honor of T. Archibald Cary, who gave the funds for grading the baseball and football grounds and for building the grandstand. Additional ground has been graded and affords ample room for all outdoor sports.

### **THE MIRIAM ROBINSON MEMORIAL CONSERVATORY**

The Miriam Robinson Memorial Conservatory was erected in 1926, on the South Campus, adjoining Tyler Hall, through the joint efforts of the Board of Visitors and friends of the College, in memory of the little girl whose name it bears.

It consists of a greenhouse for decorative plants, a well-equipped laboratory or class room for teaching practical floriculture, and a cool house at the opposite end of Tyler Hall for class work.

An apartment for the use of the Director of the Conservatory, between the north greenhouse and Tyler Hall, has been enlarged during the past year. The purpose of this Conservatory is to provide for classes in practical floriculture, which are given as electives, without fee from the students or cost to the College, and emphasizes the cultural value of flowers and decoration in education.

Due to the activities of the Conservatory, considerable planting has been done on the campus, and a beautiful natural park, with an artificial lake, has been begun.

### DORMITORIES FOR WOMEN

All women students of the College, except those who come daily from their homes, are required to live in the college dormitories and board in the College dining hall. Exceptions to this rule will be made only in the case of mature women who are twenty-five years of age or over.

#### Jefferson Hall

Jefferson Hall, the dormitory for women, was erected by funds provided by the General Assembly in 1920. This brick building is two hundred feet by forty-one, and is in every respect modern, sanitary, and attractive. In the basement is a gymnasium eighty-eight by forty-one feet, and a swimming pool of the capacity of forty-five thousand gallons. The main, or ground floor, contains the main entrance, the parlors and the apartments for the director of women and for the women teachers. The second and third floors are the dormitories proper. The rooms are fourteen by fifteen feet in size, and each accommodates two students. There is in each room running water, hot and cold; two large closets, and two single iron beds, besides a dresser, a table and chairs. The building accommodates one hundred and twenty-five students.

The gymnasium in the basement of Jefferson Hall is modern in all respects. Its floor space, eighty-eight by forty-one feet, is sufficient for basketball and indoor games and exercises. Adjoining this open court are the swimming pool and the dressing rooms. The gymnasium is supplied with steel lockers, shower baths and modern equipment.

### **Kate Waller Barrett Hall**

The Kate Waller Barrett Hall was erected by the college in 1927 as a memorial to Dr. Barrett, one of the leading figures in the movement for the higher education of women in the South, and at the time of her death in 1925 a member of the Board of Visitors of the College. It cost \$225,000.00 complete, and houses 176 women students. It is the central building of three women's dormitories, one of which (Jefferson Hall) is already completed, and the other is to be constructed in the future. Barrett Hall is of modern fireproof construction.

### **Chandler Hall**

This dormitory for women is the latest addition to the campus. It is located next to Barrett Hall and is of similar architecture. The conveniences afforded by this dormitory are those of a modern building.

### **FRATERNITY HOUSES**

A number of fraternity houses afford comfortable accommodations for men or women. The Board of Visitors considers that the fraternity houses are subject to the same rules and regulations as the college dormitories. They can be entered at any time for inspection by members of the faculty and officers of the College.

### **THE PRACTICE HOUSE**

The practice house, a feature of the department of home economics, is a large two-story frame structure. All remodeling and renovating were done under the supervision of the department, it presents a very attractive appearance.

It was in this building that Dunmore had stored the powder that was seized by Patrick Henry, just before the outbreak of the Revolution. At present it is used as a museum.

### **THE PALACE GREEN**

The Palace Green is a long park on the north side of the Duke of Gloucester Street that ran back to the Colonial Governor's Palace. The home of Dinwiddie, the governor who sent Washington to serve notice on the French that they were on land claimed by England, is on the left side of the Green at the farthest end. Below this house is all that is left of the Governor's terraced gardens.

### **THE WYTHE HOUSE**

The Wythe House, a square brick building, home of the first professor of law at the College of William and Mary, is on the left of the Green. He was the teacher of such men as Jefferson and Marshall. The house was also used by Washington as his headquarters during the Revolution.

This house, made famous by the novel "Audrey," by Mary Johnston, is next to the site of the first theatre.

### **BRUTON PARISH CHURCH**

### **THE BLAIR HOUSE**

The Blair House on the Duke of Gloucester Street in the second block from the College, was the home of John Blair. The stone steps in front of it were the old steps that led up to the entrance of the first theatre in America.

### **JAMESTOWN**

Here on May 13, 1607, a small band of Englishmen landed and made the first permanent settlement in America of English speaking people. From the time of its founding until 1610 it had no serious misfortune. In 1610 there came what is known in history as the first starving time. During this period 450 of 500 people died. It was the seat of government from then until 1699 when Middle Plantation, now Williamsburg, was named the Capital. It had a chequered existence from that time until it gradually fell into disuse. In 1837 there was but one house on the island. During the Civil War it was occupied by about 500 Confederates. It is now kept as one of Virginia's historic spots.

## THE HONOR SYSTEM AT THE COLLEGE OF WILLIAM AND MARY

---

Among her many priorities, William and Mary justly claims that of leading the way in the formulation and adoption of the Honor System. It was inaugurated here in 1779. Early in college days when no other idea of college government prevailed throughout America than that the student should be watched like a suspected criminal for offenses, either actual or potential, the faculty of William and Mary appointed a committee, whose head was the distinguished jurist, Beverly Tucker, to draw up a statement of the spirit and content of an honor system by which the conduct of the students of the old college was to be guided. At once put into operation, this system has continued in actual and successful working without interruption until the present day.

But glorious and inspiring as is the historical origin of the Honor System, it is with its operation now and in the future that the men and women of the new day at the old college are primarily concerned. In the first place, it is of vital importance that every new student enrolling in September, should clearly understand what the Honor System really is and what it means in his life and in the corporate life of the College. Ignorance of it may bring the possibility—even the probability of breaking it, and at once there follows a well nigh irreparable injury to the character, the reputation, and the future of the individual student and an equally grave lowering of the morale of the student body, for this must always suffer by the disgrace of any of its members. It is in this spirit that the present serious attempt is made to set forth, especially for the benefit of the students, just what the Honor System is and what is required of each in order to translate it into his life.

The Honor System may be defined in a word as individual responsibility. It brings home to the individual man or woman who would stay at the noble old college and get the advantages she offers, his personal responsibility for her fair name and honor. It emphasizes two things: first, that the student must recognize that he is answerable in the very fullest degree for every one of his actions and dealings with the members of the faculty and with his fellows, in his or their rooms, in the dining halls, the athletic fields, the social centers, and the class rooms; and, second, that he must recognize his personal responsibility for the well-being of the college in every phase of life in which he touches her existence.

Such phases, in the large, will at once suggest themselves to every one. They include, primarily, everything which touches the securing of aid, assistance, or profit in scholastic work of whatsoever kind, whether in term class work, periodical tests, or in the work handed in to the instructor, though it is to be regretted that in the formal examinations, as well as in all latter respect, students otherwise most sensitive to the Honor System do not seem to feel its demands so keenly as in regard to the others. A slight reflection, however, will convince one that work of this kind should also be included in the scope of the Honor System. It is a source of pride to all lovers of the college that public opinion of the students is now, and has always been, most healthy, vigorous, and uncompromising in its condemnation of all infractions of the Honor System falling under the heads just enumerated.

As to all offenses touching the taking of property which is not one's own, in any form, it goes without saying that these come most completely under the condemnation of the Honor System, and find swift and deserved punishment at the hands of the student body itself.

### **To the Students and Prospective Students of the College of William and Mary:**

In order that there may be a thorough understanding of the Honor System as it is interpreted and will

be applied in the College of William and Mary in Virginia, we, the members of the Students' Honor Councils are sending each student and prospective student this circular letter.

By matriculation into the College the student pledges himself to maintain the Honor System. If the student does not wish to uphold this Honor System he must not matriculate.

The Honor System is the very foundation of student life in the College of William and Mary. This must be understood by every student at the outset. The Honor System is not merely a name nor is it a convenient means of escaping spying by the Faculty. The College of William and Mary has the distinction of having first originated and introduced the Honor System into American collegiate life, the System having been established here in 1779, and has been in continued existence here ever since. The Honor System has always been and must be maintained as the working principle of student life and as the indispensable expression of the spirit of the College of William and Mary. The Honor System simply requires that a student should act honorably, no more, no less.

Stealing, cheating, the violation of a written pledge, and the failure or refusal to report such offenses are breaches of honor upon which a student may be placed on trial by his fellow students, to determine whether he is fit to continue a member of the College.

As applied to scholastic work the following interpretations of the Honor System are set forth by the Student Honor Councils:

- I. All scholastic work, whether it be in the lecture room, the library, the student's room, or elsewhere, is under the Honor System. All cheating, whether in work pledged or unpledged, whether in tests, assignments, or examinations is a violation of the Honor System. Giving aid to any student or receiving aid from any student, without the consent of the professor, in tests, assignments, or examinations, is cheating.

## THE INDIAN HANDBOOK

---

II. All written tests and examinations given in the classroom will require a formal pledge. The pledge is required not for the purpose of creating the obligation but to remind the student of the obligation already existing under the Honor System.

III. For any forms of scholastic work other than written examinations and tests in which the professor desires the use of a pledge, the professor or instructor will prescribe the form of pledge to be used and will make clear the scope of the pledge and responsibility of the individual under the pledge.

The student's "sense of honor" is not inherited; it is acquired. And it is acquired in some specific environment. It is therefore relative to that environment. In the College of William and Mary the older students furnish the environment; and unless the older student jealously guard the Honor System by reporting cases of dishonor and ostracizing the dishonest, the new students will not acquire that "sense of honor" necessary for an efficient Honor System.

The Honor System is supported and handled by the students themselves and they are wholly responsible for it. Violations of the Honor Code are reported, not to the Faculty, but to the Student Honor Councils. It is the duty of every student to report another student seen in a dishonorable act. Loyalty to the student body demands it. If a student fails to report another student because he is a close associate the Honor System is defunct. Reporting cases is not spying or tale-bearing, for the Honor Councils are representatives of students themselves.

Reread this letter carefully and keep for reference. The System will be explained by the representatives of the Honor Councils at the beginning of the session.

Faithfully yours,

THE STUDENT HONOR COUNCIL.

When a student enters the College of William and Mary, he or she leaves all "Snootiness" behind. It is a William and Mary custom that when passing a man or woman on the street you greet them whether you know them or not. "Hae Gentlemen" and "Hae" is the phrase used. Speaking and a smile with it goes a long way towards making friends. "Smile and the world smiles with you, frown and you frown alone." Speak to everyone!

## KEEP IN MIND : THAT

The ROAD TO SUCCESS is not strewn with roses.

YOU are not the only pebble on the beach.

You are here for a great purpose.

You should not put off until tomorrow studies that should be done today.

You are wanted at William and Mary.

William and Mary is being judged by YOU, YOUR ACTIONS, and YOUR ATTITUDE. ACT ACCORDINGLY.

FRIENDSHIPS should be formed with care and not hastily. Look before you leap!

CONCENTRATION is the secret of success in college work.

## FRESHMAN HINTS

---

1. First of all, wear your Freshman cap with the proper spirit.
2. During all football games the Freshmen will occupy the sections of the stadium set aside for them.
3. Follow the walks on the Campus. Don't make new ones.
4. Learn the songs and yells printed in this book for your benefit and join in whenever you hear them.
5. Attend all your class meetings and take an intelligent interest in their proceedings.
6. Always stand and uncover when the "Alma Mater" is being sung or played.
7. Obey all College traditions to the letter. To disregard them is not clever, nor is it loyal.
8. Always remember that the College is judged by the conduct of its undergraduates.
9. Good Freshmen make good upper classmen.
10. College spirit is obtained only by loyalty. Believe in your College and then give it all you have.
11. "Rough stuff" is not a form of Varsity patriotism; "collegiate" need not be made a synonym for "asinine."
12. Consult our advertisers—they are reliable.

The William and Mary Literary Magazine is published six times a session by the students of the College. It contains short stories, special articles, essays, poetry, translations, and book reviews.

The editorial staff is appointed each fall by the editor and is usually selected from contributors of the preceding session. Contributions are invited from all students who have talent along literary lines.

### THE FLAT HAT

Barrett Roberts .....Editor  
Charles McCurdy .....Business Manager

The Flat Hat is the weekly newspaper of William and Mary. It is published every Friday, and generally contains ten or sixteen pages.

The news staff is selected each fall by the editor and managing editor after a six weeks' trial has been given to all students who desire to try out for places on the paper. All students are eligible to try out for these positions.

A valuable souvenir of campus activities can be gotten by saving all issues of the Flat Hat for a year, and having them bound into one volume.

### LITERARY SOCIETIES

At William and Mary there are three literary societies—two for men, the Phoenix and Philomathean, and one for women, the J. Lesslie Hall. These societies hold weekly meetings, and from time to time, inter-society contests are held.

### INTER-COLLEGIATE DEBATE

Inter-Collegiate debating at William and Mary is under the jurisdiction of two debate councils, one for men and one for women. During the past session, ambitious schedules were undertaken, William and Mary sending teams as far south as Georgia and as far west as Missouri.

### THE INDIAN WAR CRY

The Indians are taking the warpath today,  
Old Green, Gold and Silver plunge into the fray.  
The fight may be hard and the game may be long,  
We'll rally against them and sing the old song: RAY!

#### Chorus

William and Mary forever and aye!  
Cheer her again, boys, we'll yet win the day—Ray!  
Tri-colors waving, it floats there on high,  
An emblem of vict'ry touching the sky.  
So shout out the war cry and fight to the end,  
They'll never, no never, beat W. and M.!

#### II

Their line's shot to pieces, their backs cannot gain,  
Just watch the old Indians romp away with this game.  
We've got them all going, there's nothing to fear,  
So rally again now and give the old cheer: RAY!

#### III

When the fight goes against us, struggling in vain,  
When all of their efforts seem surely to gain,  
When hope seems to leave us, the chances all gone,  
We'll rally against them and sing the old song: RAY!

Carl Andrews, '27.

#### 1

We're Indians born;  
We're Indians bred;  
And when we die  
We're Indians dead.

#### Chorus

Ray! Ray! old Indians, Indians,  
Ray! Ray! old Indians, Indians,  
Ray! Ray! old Indians!  
Ray! Ray! Ray!

#### 2

The Indian Team  
Goes out today  
And with this game  
We'll walk away.

#### Chorus

### HIKE ALONG

For the team of thirty we fear no harm,  
For the team of thirty we fear no harm,  
Give us a show—and we will win;  
Hike along, William and Mary, hike along.  
(Additional stanzas are used for particular games, etc.)

### FIGHT, FIGHT, FIGHT FOR THE INDIANS

Oh, we will fight, fight, fight for the Indians,  
When the Indian Team appears;  
We will pull like Hell for the Indians  
When they hear our mighty cheers.  
Wah-Hoo-Wah!  
We will circle the ends for the Indians,  
And we'll romp right down the field—  
Touchdown! Touchdown! Indians!  
And ————— line will surely yield.

### FIGHTING VIRGINIANS

Lyric by Brown and Wilson      March by G. M. Small

Oh! fight away you Indians,  
Oh! fight away today.  
The team that held the Crimson,  
Will surely win the fray.  
And as the ball goes over,  
And the game is won,  
Our voices swell,  
To sing the song of victory.

## SOME THINGS TO REMEMBER

---

### NIGHT FOOTBALL

All home football games are played at night. William and Mary inaugurated this system some years ago, and since then many colleges and universities have adopted the idea.

### CHEERING

All freshmen are compelled to attend football games. They are expected to learn the cheers immediately upon arrival, and to purchase megaphones at the college shop. Obtaining megaphones—which are very small and inexpensive—is demanded for the incoming class, men and women alike, who must bring them to all home games. Failure to comply with this rule will subject parties concerned to penalties instigated by the head cheer-leader.

### FRESHMAN RULES

Hazing is absolutely not permitted at William and Mary. Shortly after registration, upper classmen are appointed to issue specific rules by which the frosh must abide. These will be published in The Flat Hat and all freshmen are expected to know them.

### MAKING FRIENDS

It is an age-old custom for students at William and Mary to exchange salutations. Whether names are known or not, a “hae, gentlemen,” or “hae,” or “hello” is expected. Conceit or egotism in the freshman class is ousted by the upperclassmen, who demand respect from all newcomers of the first year.

## **THE INDIAN HANDBOOK**

---

Shortly after the beginning of the term, the Christian Associations, instigate a reception at which men and women are given the chance to become acquainted, not only with members of their class, but with all officers of administrations.

### **THE STUDENT ACTIVITIES FEE**

This fee is mentioned here because it is separate and distinct from those fees assessed by the administration. The students' activities fee is not compulsory, but is necessary for students who participate in athletics, debate, dramatics, campus elections, and any other form of college activity not included in ordinary academic work.

William S. Gooch, Jr., Athletic Director

The policy of William and Mary athletics, adopted by the 3-3-3 committee in 1927, calls for (1) a manager of athletics; (2) seasonal coaches in the major sports; (3) a fulltime assistant coach in all major sports; (4) a full-time freshman coach. This policy, changed from the plan to have the athletic director in full charge, has met with much success and during his

## THE INDIAN HANDBOOK

regime, William and Mary has been well represented in all sports.

Monograms may be won in both major and minor sports. The major sports include football, basketball, track and baseball, while swimming, wrestling, tennis and golf constitute the minor athletics.

The usual collegiate eligibility rules are in effect at William and Mary. The College is a member of the Virginia-North Carolina Conference and abides under the rules of that body.
